## TRANSACTIONS

### Davis Graham's Two Deals

Davis Graham & Stubbs and its managing partner, Chris Richardson, have had a busy few weeks.

The firm counseled Rio Tinto Energy America Services Co. (formerly Kennecott Energy Co.), in the sale of Ohio-based Pegasus Technologies to NeuCo Inc. The latter is a "leading provider of optimization software solutions to the electric power industry." Pegasus equity holders received cash as well as 26.5 percent of the acquirer.

Davis Graham also counseled Broomfield office-products giant Corporate Express Inc. in its acquisition of Coastwide Laboratories Inc. in Wilsonville, Ore.

Coastwide is a Northwest distributor and manufacturer of facility and breakroom supplies including a line of environmentally sound cleaning products, under the Sustainable Earth label.
