Davis Graham & Stubbs Attorney Jeff Pilkington Featured Speaker for National Pharmaceutical Litigation Teleconference

Denver, Colorado – April 3, 2007 – Davis Graham & Stubbs litigation partner **Jeff Pilkington** will be a featured speaker on a national panel of respected trial attorneys for a national teleconference on Tuesday, April 10. The teleconference, “Preparing for Plaintiffs’ Recent Theories in Drug and Device Litigation,” is presented by the Defense Research Institute for defense practitioners and in-house attorneys from pharmaceutical, medical device and life sciences companies. This program will provide timely and topical information to assist practitioners defend against the new plaintiff theories.

Mr. Pilkington’s segment, “Defending Against Novel Warning Claims,” will outline strategies for defending innovator and generic manufacturers of prescription drugs against the latest failure-to-warn claims.

Mr. Pilkington is a frequent speaker on product liability issues and has published recent articles on the new drug manufacturers’ novel claims. His practice focuses on pharmaceutical and medical device products liability defense. Mr. Pilkington has served as national, regional, and local counsel for manufacturers of numerous products, including a wide variety of pharmaceuticals and dietary supplements.

For more details about the conference, please see www.dri.org.
